Saeco

Highlights

Adjustable coffee strength, te

Choose your favourite coffee blend and adjust coffee strength, temperature and length until they all meet your personal taste perfectly. Strength: the machine is set-up to adjust the strength with the exact amount of coffee to be ground. Length: the machine allows you to adjust the amount of brewed coffee according to your taste and/or the size of your cups. Temperature: the machine allows you to adjust the temperature of your coffee.

Autocleaning and de-scaling

Easy to use includes easy maintainance: Thanks to the automatic cleaning and de-scaling cycles, you are guaranteed perfect enjoyment every day and maximum longevity for your automatic espresso machine.

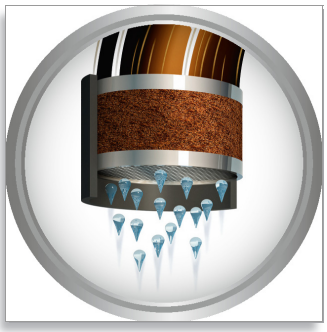
Ergonomic day-by-day

Philips-Saeco is a synonym for convenience: refilling beans or water, emptying the coffee-dump box or the drip tray, all compartments are directly accessible.

One touch beverage selection

One touch beverage selection

Pre-brewing system



Pre-brewing for even more enjoyment. Thanks to the Saeco Pre-brewing Technology, the coffee grounds are moistened before the actual brewing process – ensuring that the aroma can unfold even better.

Latte Perfetto Technology and

Thanks to the fast milk heating system and to the automatic self-cleaning of the circuit at the end of each session, all is left to you is to enjoy the perfect cappuccino and latte macchiato whenever you want.
